

AUTOMATION & MEASUREMENT SOLUTIONS

Power Controls delivers engineered automation and measurement solutions that keep industrial operations safe, efficient, and reliable.

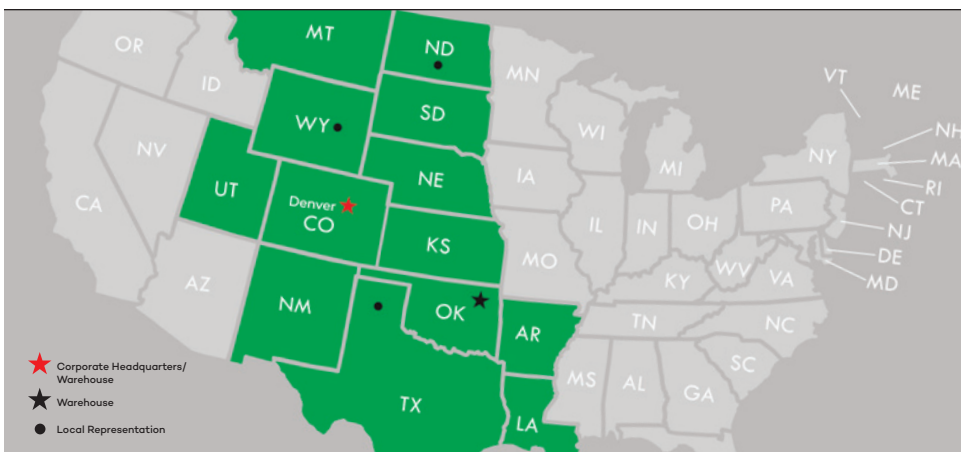

We combine decades of technical expertise with responsive, hands-on service to solve complex challenges for our customers. From concept to completion, we deliver the products, support, and partnership that keep your systems performing when it matters most.

IN-HOUSE VALVE ACTUATION SERVICES

As one of the nation's largest Rotork distributors, Power Controls delivers the expertise and support needed to bring Rotork's intelligent, highly reliable actuation solutions to your most critical applications.

- ✓ Complete Valve Automation Packages
- ✓ Field Automation Services

LOCATIONS

| | |

MANUFACTURER'S REPRESENTATIVE & STOCKING DISTRIBUTOR

Power Controls partners exclusively with top-tier and specialized manufacturers—brands chosen for their reliability, technical excellence, and proven performance. By curating the best technologies in actuation, measurement, analysis, heating, and flow control, we deliver integrated, high-value solutions that help customers operate safely, efficiently, and with total confidence.

Valve Actuators

ROTORK IQ & IQT Electric Actuators
ROTORK 100% Duty Cycle Modulating Electric Actuators
ROTORK Electric "Failsafe" Actuators
ROTORK Pneumatic Actuators
Bettis Pneumatic Actuators
USI Electric "Failsafe" Actuator
ASCO Emission Free Dump Valves

Valves

CVS ED, ET, EZ, V-Ball Control Valves
WKM/PBV/KF/Balon Ball Valves
M&J / Walworth Slab Gate Valves
Bonney Forge / RP&C / Walworth Gates,
Globes, Checks
LACT 3-Way Divert Valves
BRAY/ABZ Butterfly Valves
ASCO Solenoid Valves
Versa Solenoid Valves
CYCLONIC Choke Valves
J FLOW Ball Valves

Chemical Pumps

SIDEWINDER Chemical Pumps
CROSSFIRE Solar Powered Chemical Pump
CVS Chemical Pumps
CVS HP Methanol Pump Cans

Heating Solutions

CATA-DYNE Catalytic Heaters
NORSEMAN Electric Heaters
POWERBLANKET Custom Heaters
QMAX INDUSTRIES Heating Solutions
CALORITECH Immersion Heaters
THERMON Line Heaters
RUFFNECK Electric & Steam Heaters

Natural Gas Analyzers & Sampling Systems

ZEGAZ Hydrocarbon Dewpoint Analyzer
AMI Trace Oxygen & H₂S Analyzers
AMI Moisture Analyzer (Laser)
WELKER Crude Oil & NG Samplers
WELKER Odorization Systems
WELKER Constant Pressure Cylinders
AURA Single/Dual Stage Regulators
A+ ACES Analytically Correct Sample Systems
A+ Genie Probe Regulators
AGAR Oil/Water Interface Monitors
Meter Tubes, Orifice Plates

Flow Measurements

E&H Wet Gas Ultrasonic Flow Meters
E&H Flare Gas Flow Meters
AURA Pressure Regs, Switchover Panels
BLANCETT Turbine Meters/Monitors
JOGLER Magnetic Level Gauges
DIP Multiphase Flow Meters
Coriolis Flow Meters
Custody Transfer Liquid Ultrasonic
Radar Tank Level Transmitters
Electromagnetic Flow Meters
Thermal Mass Flow Meters
Pressure / Temperature Gauges
RTD's / Thermocouples/Transmitters
